

Jump Into Kindergarten!

A little nervous for Kindergarten? Come get a fun jumpstart on Kinder with Saint Monica Kindergarten teachers, Mrs. Lauren Cleaveland and Mrs. Stephanie Ayer.

Let us help your child learn Language Art and Math skills as well as exercise his/her fine and gross motor skills. We will also work on listening comprehension and social skills through play and various fun activities!

What fun it will be for your child to get acquainted with future classmates, familiarize themselves with the school and teachers, and maybe even make new friends! What a great way to start off the school year!
