

Jump Into Kindergarten!

A little nervous for Kindergarten? Come get a fun jumpstart on Kinder with Saint Monica Kindergarten teachers, Mrs. Monica Schwarz and Mrs. Theresa Byrd.

Let us help your child review some academic readiness skills as well as exercise his/her fine and gross motor skills using ocean themed activities. We will also work on social skills through play and a variety of games.

It will be fun for your child to get acquainted with future classmates, familiarize themselves with the school and teachers, and make new friends. What a great way to start off the school year!

Dates: July 23th – July 27nd, 2018

Time: 9:00 - 11:30am

Place: St. Monica School, Room B4

Cost: \$175 **will be billed to your FACTS account** in July.
