

Dear Parishioners,

Thank you for being a special part of our faith community. This is an exciting time in the life of our parish as we launch our capital campaign, ***We Are St. Monica – A Legacy of Faith***. This theme focuses on our community, which is grounded in our faith tradition. We belong to a parish that is alive in action and spirit, thriving and growing thanks to our love for one another and our desire to follow the teachings of our Lord and Savior, Jesus Christ.

Our school, founded in 1955, remains our largest ministry serving on average 800 students each year. Every child who walks our hallways adds to our vibrancy with their hopes and dreams.

As Catholics devoted to offering an education rooted in our Catholic faith, we must assist the children's development by providing them with a strong curriculum, taught by quality educators, in the finest and safest environment. While we hit the mark on the first two goals, we fall short regarding our facilities. After years without significant upgrades to our buildings, it is time for major renovation. Thus, the reason for our campaign. A successful effort ensures we will provide the necessary updates to improve our ability to educate in a modern and safe facility.

To meet our goals, I need your help. I invite you to join me in support of the ***We Are St. Monica – A Legacy of Faith*** Capital Campaign and to prayerfully consider how you may make a difference. While what constitutes a sacrificial pledge is different for each family, all of us can do something. We can all identify a gift that is meaningful to us and, most importantly, one that will make a difference and benefit our community for years to come.

Thank you in advance for your response and generosity.

In Christ,

Fr. M. Guadagnoli
