

Dear Parishioners,

Since 1955, the St. Monica parish and school educated the children of this community with a tradition of faith formation and academic excellence. We educate children in preschool (40 through 8<sup>th</sup> grade, and it is our privilege to care for these children in a safe and nurturing environment. It is our goal to educate our students in their Catholic faith, fully develop their academic potential and nurture the whole person, physically, socially and morally.

It is a blessing to be part of the St. Monica community. Our parents, school organizations and the entire parish provide incredible support – generously offering their time, talents and treasure year after year.

We are excited to enter this next chapter of our community and are grateful to all who are making it possible.

God Bless and Go Bearcats!
